Statement of Beliefs

We believe the Bible to be the only inspired and infallible Word of God to man in written form.

We believe that all people sin and need a Savior. Sin leads to death and eternal damnation. However, because of the resurrection of Jesus Christ, anyone who receives God's gift of redemption will not perish, but have everlasting life in Heaven.

We believe in one triune God, the Creator of all, who always was and always will be. God is omniscient and omnipresent. The triune God is made up of God the Father, God the Son and God the Holy Spirit. We believe that God the Father sent His Son, Jesus, to pay the price for the sins of the world through His death and resurrection. The Holy Spirit comes to dwell within all who receive Jesus' sacrifice for their sins. The Holy Spirit guides and empowers believers for service.

We believe that the body of Christ is made up of all those who have called on the Name of Jesus Christ as Savior and Lord. We believe that people from all different denominations should come together in love and unity as a testimony of God's love to the world. We believe that believers are to be trained and equipped for service in the local church, community and the world.
