We do not know of another organization quite like Legacy Ministries. We like to think of it as being the link between the church and the community. As someone told us, "I get fed when I go to church, but I learn how to feed others when I go to events at Legacy Ministries." We invite you to be a part of this movement to equip the saints to do the work of the ministry. It is our desire that believers from across the denominational lines come to be healed and trained so they can go back to their own church bodies and the community to bring the healing touch they have experienced to others.

A place for healing:

Offering professional and pastoral counseling

Tammy Melton, professional counselor, has a heart to help people who have experienced trauma to be healed from the inside out. Besides offering sessions for individuals, Tammy also has experience with pre-marital, marital, and family counseling. Other areas of specialties include: anger management, depression, anxiety, PTSD, grief, addictions, play therapy, and therapy for ministers and their families.

Tammy offers affordable sessions with fees set on a sliding scale depending on salary and number of dependents in the home. If you know anyone who would benefit from Christian Professional Counseling, please tell them to call our office at 770-742-0790.

Legacy Ministries also offers pastoral counseling with our chaplains who are trained in Inner Healing Prayer. Unlike professional counseling sessions, we do not charge for this service. However, donations to offset costs for the ministry are appreciated. Call the office for more information.

A place for resources:

Making Christian books and other materials available in our lending library

Whether you want resources to help you study truths from God's Word, or you would like a good Christian Fiction book to inspire you, our library is the place to come. Book categories include Christian Living, Bible Study helps, Christian Fiction, Inner Healing, Ministry Helps, Marriage and Family, and more.

A place for prayer & worship:

Providing opportunities for individual and group prayer and worship

We offer opportunities to unite with God and others in worship and prayer. We have worship leaders who rotate leading Friday Freedom Worship each week involving worship, love, unity, prayer, and soaking in God's presence. You may also call the office to schedule a time to meet with a prophetic prayer team for a time of personal ministry and encouragement or to reserve the prayer room for a time alone with God.
