

Mentor Me Moments

“Mentor Me Moments” is a mentor/discipleship program implemented by Legacy Ministries in order to bring encouragement and equip believers to grow in their daily walk with God. This idea came during the global challenges of 2020 to strengthen members of the Body of Christ so that we can confidently face whatever the future holds.

Mentees will be prayerfully assigned a trained mentor to meet with once a week for 8 weeks. The sessions can be in person, on the phone, or on video conferencing according to the needs and schedules of the individuals. The 2 month program is designed to include opportunities to:

1. Get to know one another.
2. Explore topics according to the needs of the mentee.
3. Develop a deeper understanding of God’s Word for both individuals.
4. Encourage one another in the Christian Faith.

“Therefore if you have any encouragement from being united with Christ, if any comfort from his love, if any common sharing in the Spirit, if any tenderness and compassion, then make my joy complete by being like-minded, having the same love, being one in spirit and of one mind. Do nothing out of selfish ambition or vain conceit. Rather, in humility value others above yourselves, not looking to your own interests but each of you to the interests of the others. In your relationships with one another, have the same mindset as Christ Jesus.”

Philippians 2:1-5 (NIV)

Mentor Me Moments - Guidelines for the Mentor

1. Take the lead and commit to scheduling and following-up with the mentee.
2. Please remember that confidentiality is always a priority. The only exceptions to confidentiality are: if the person is a danger to self or others, or if abuse is suspected. Please report these cases to Tammy. If either the mentor or the mentee feels uncomfortable at any time, he/she is welcomed to schedule a time to talk to Tammy.
3. Remember that you are more of an ear than a mouth in this relationship. People have a need to be heard and understood. You are not considered a counselor, but rather one who will come alongside the mentee to encourage him/her. This is a volunteer position.
4. Refrain from debatable topics such as political or doctrinal differences.
5. Maintain your personal time with God.
6. Keep focused on God and the needs of the mentee rather than yourself.
7. Be led by the Spirit. The session layout we gave you during training with questions to ask was only given as suggestions.
8. It is important to keep this bathed in prayer:
 - a. Pray for your mentee as the Lord leads.
 - b. Pray before each session.
 - c. Start each session in prayer.
 - d. End each session in prayer.
 - e. Pray a cleansing prayer over yourself after each session.

I have read and agree to comply with the guidelines as a mentor. If I have any concerns throughout the mentoring process, I will talk to Tammy Melton for guidance.

I have read about the “Mentor Me Moments” mentor/discipleship program and am interested in being a mentee. I understand that my identity and any information that I may discuss will be kept confidential. However, I am aware that my mentor is mandated by law to intervene if he/she suspects:

- that child abuse (under the age of 18 years) or elder (over the age of 65 years), or a vulnerable adult is currently endangered by abuse.
- if I am a danger to myself or others.

I understand that I have chosen to participate in these sessions voluntarily and I am free to leave at any time. I am under no financial obligation. I deem my mentor to be an “encourager” in the Christian faith and not a counselor.

I hereby release my mentor and Legacy Ministries from liability for all acts performed in good faith and without malice in connection with this ministry-learning experience. I understand that if any concerns arise within the 8 week mentoring process, I am free to call the office at 770-742-0790 and speak to Tammy Melton about my concerns about the program or my mentor.

I have read and understand the terms of the above statements.
